Principal’s Message

This week classes are enjoying their end of year excursion celebrations. Reports from all venues have been extremely complimentary and we are very proud of how our students conduct themselves in the community whilst representing King Park P.S. Well done King Parkers!! I hope you have all enjoyed your end of year events.

We are currently finalising our classes for next year. Students in years 1-6 will begin back at school on Thursday 28th January. This will be the day students will find out their new class and teacher. As you know the number of classes we can form is dependant on the number of students we have. Whilst students will go into their new class from day 1, depending on any unexpected newcomers or leavers, things may still change and will not be firm until the end of week 2.

This will be the last newsletter for 2015. I would like to take this opportunity on behalf of all the staff at King Park to thank you for your continued support and to wish you all a happy and safe Christmas and New Year holiday.

STAGE 1 POWERHOUSE MUSEUM

REMINDER NOTE

7th December 2015

Dear Parents/Guardians,

This a reminder note that the excursion to the Powerhouse Museum will be held this Thursday on the 10th of December, 2015.

Tips to help organise your child for the day. Please:
- arrive at school by 8:15am as we will be leaving promptly at 8:30am.
- meet your child’s classroom teacher in Area A (not Area B).
- make sure that your child is wearing full school uniform.
- apply sunscreen before leaving home.
- use a throw away plastic bag to hold your child’s recess and lunch. Please label the bag clearly with your child’s full name and class.
- use a throw away plastic drink bottle filled with water.
- there will be no opportunity to purchase food or any other items and as such, there is no need to give your child any money.

If you have any questions, please speak to your child’s teacher as soon as possible.

Thank you for your continued support of our school’s educational experiences.
