Swimming Scheme begins next week. This is an extremely valuable learn to swim program that develops water confidence and provides students with basic skills in water safety and survival. The Program provides opportunities for students in Years 2 to 6 to attend daily lessons of 45 minutes over 10 consecutive days. Given our climate and lifestyle in Australia learning to swim is essential and can be lifesaving. If you haven’t already, please complete the permission note and return it to the office with payment before Friday. Limited places still available.

From the 18th March we will have the facility to accept payments online via our school website. This will give parents another option for making payments for school excursions, sport, school contributions etc. More detailed information is provided in this newsletter.

Make Online Payments

From 18th March it will be possible for parents to make online payments to the school for amounts owing for students, via a secure payment page hosted by Westpac. Payments can be made using either a Visa or Master Card credit or debit card. The payment page is accessed from the front page of the schools website by selecting $Make a payment$.

The school website can be found at http://www.kingpark-p.schoo.ls.nsw.edu.au/

Items that can be paid include voluntary school contributions, excursions, sales to students and sport. There is also a category called ‘Other’ to cover items not covered in the previous headings. ‘Other’ can be used to make a complete payment of a school invoice.

When you access the $Make a payment$ you must enter:

- the students name, and
- class and reference number OR
- the students name, and
- date of birth

These details are entered each time you make a payment as student information is not held within the payment system. This is a secure payment system hosted by Westpac to ensure that your credit/debit card details are captured in a secure manner, these details are not passed back to the school.

You have the ability to check and change any details of the payment before the payment is processed. Receipts can be emailed and/or printed.

Details of the payments are passed daily to the school where they will be receipted against your child’s account. As a receipt has been issued from the payment page a further receipt will not be issued by the school.

For any enquiries regarding the Online Payment process please contact the School Administration Office.
